***Examiner's Amendment***

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Tom Roland on 11/28/05.

*The application has been amended as follows:*

Claim 14, line 1, "resin" has been deleted and ---article--- has been inserted therefor.

Claim 15, line 1, "resin" has been deleted and ---article--- has been inserted therefor.

***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance: the claims are allowable over the closest prior art to Hennig (US 4876311). Hennig fails to teach or suggest the claimed resin and extruded polymeric article having the claimed matrix and polymeric particle composition in combination with the claimed particle size distribution (and also minimum surface roughness in the case of the extruded polymeric article claims 1, 3-6, 10-11 and 14-15). Furthermore, there is no teaching or motivation to one of ordinary skill in the art to modify Hennig so as to arrive at the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Holly Rickman whose telephone number is (571) 272-1514. The examiner can normally be reached on Monday-Friday 9:30-6:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Carol Chaney can be reached on (571) 272-1284. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
